

Dual Point Vapor Recovery Elbow

This durable cast aluminum elbow ensures complete vapor recovery for dual point systems, and can be ordered with a variety of different adapters to meet any requirement. The simple four bolt flange design allows for easy replacement of adapters over competitive threaded styles. Its low profile design allows for convenient storage and the specially designed quick grip one hand operation handle allows for easy on and off attachments.

880-465-01

Highlights

- Cast aluminum.
- Compact, low profile design.
- Four bolt flange pattern.
- Protective base shield.
