

Installation Instructions

Mounting Shelf, FM-530-RD Remote Dispenser

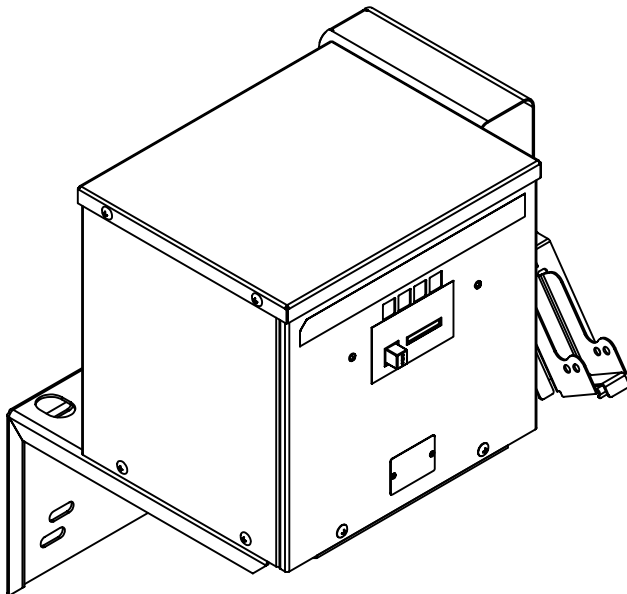

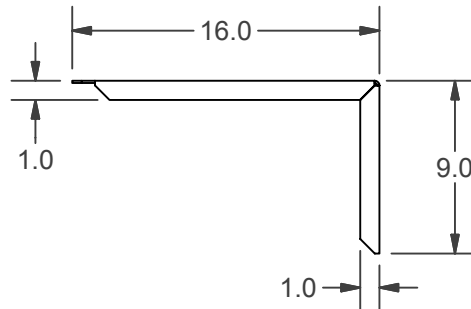

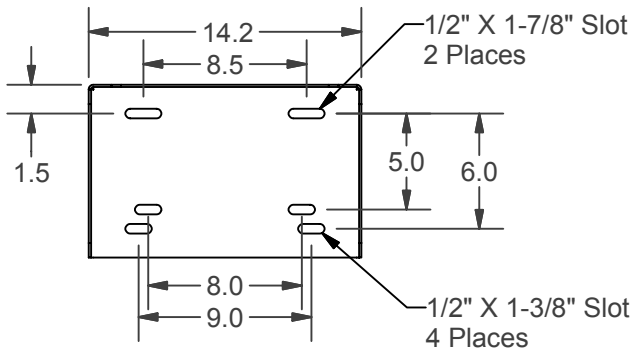

This kit contains a sheet metal shelf, a hardware bag and installation instructions.

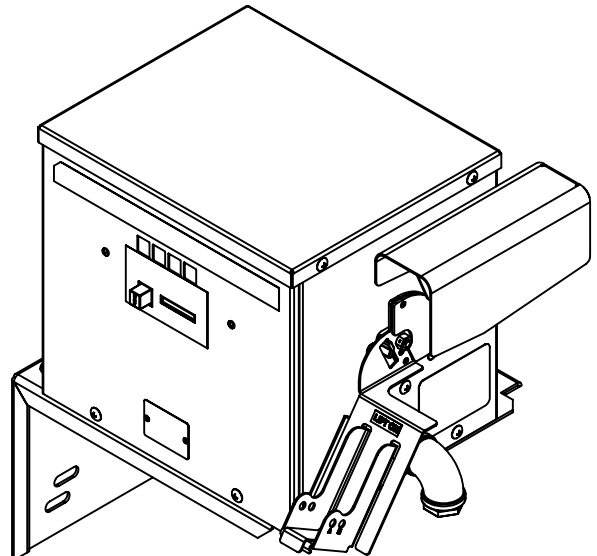

The hardware bag contains:

- 5 ea. 5/16-18 x 1" Hex Head Cap Screws
- 8 ea. 5/16" Large Flat Washers
- 2 ea. 5/16" Small Flat Washers (Used with bolt that goes thru keyhole shaped hole)
- 5 ea. 5/16" Lock Washers
- 5 ea. 5/16" Hex Nuts

The shelf is 11 ga. steel with edge flanges and welded corners for strength. The slots on the back of the shelf will fit a variety of tank mounting situations using bolts (not included) or fitting the shelf to an existing stud pattern or bolt hole pattern. The slot configurations will fit most popular stud or bolt hole patterns in use.

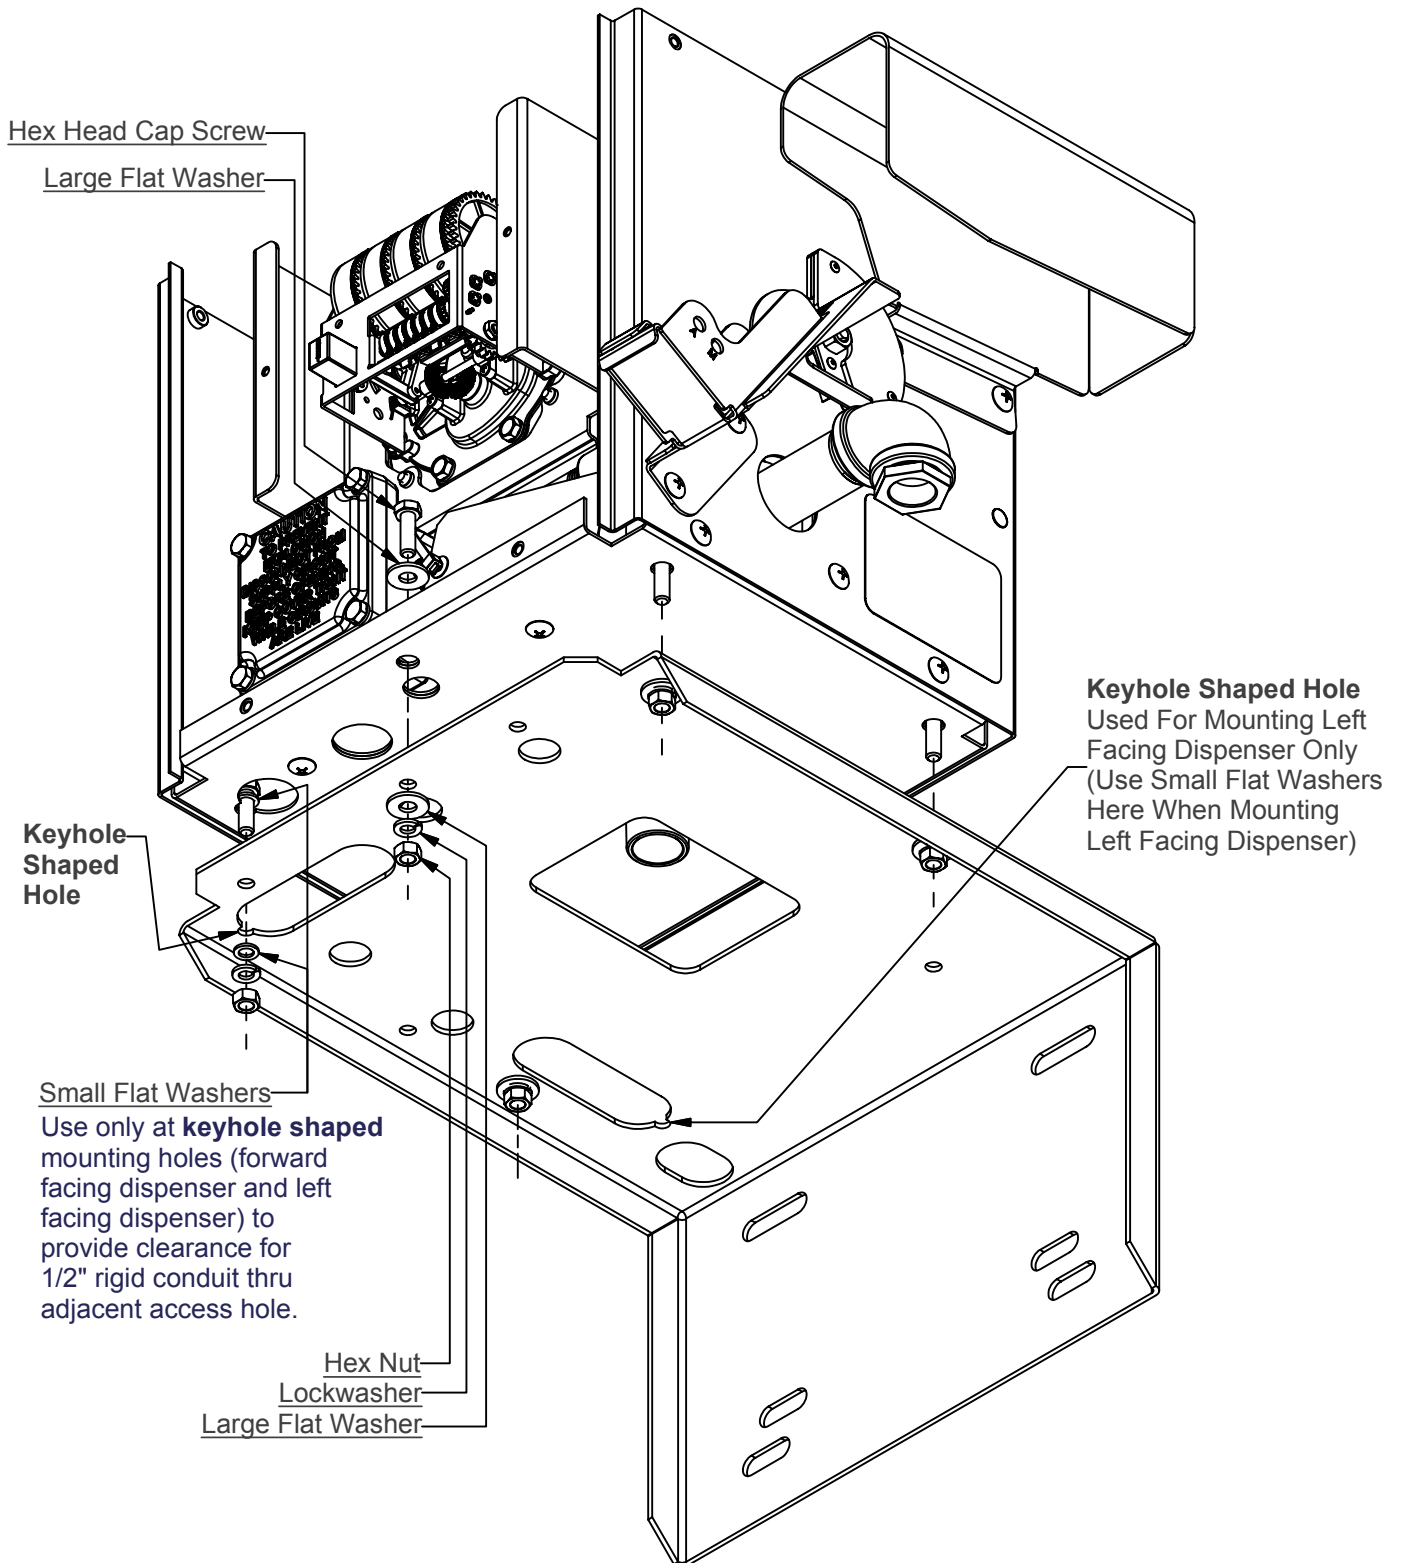

FRONT OF DISPENSER
FACING FORWARD

FRONT OF DISPENSER
FACING LEFT

The FM-530-RD Remote Dispenser can be mounted in two different orientations on the shelf, facing forward or facing left. The shelf has all necessary mounting and access holes for either orientation.

**Typical Assembly - Forward Facing FM-530-RD Remote Dispenser To Shelf
(For Left Facing Dispenser Rotate Dispenser 90° Clockwise)**
